

UNOBSTRUCTED VISION.

Visualize a flow meter with no obstructions inside. No moving parts to wear out or get clogged with debris. No expensive strainers to buy and maintain. Absolutely nothing to stand in the way of dependable performance, year in and year out.

Visualize obstruction-free, maintenance-free operation. The vision is real.

The vision is Magnetoflow.

Now imagine capturing thousands of dollars in revenues once lost every day to inaccuracies or undetected flow — especially during periods of low usage.

Badger Magnetoflow delivers 99.75% to 100.25% accuracy at an incredibly wide range of flow levels. Superior revenue — generating precision. The choice is clear. The choice is Badger.

Isn't it time you set your vision free with Magnetoflow? Reliable, proven performance from Badger Meter. A most trusted name in metering since 1905. For the whole picture call **1-800-342-8034**.
